

In Kindergarten, this week we hope to

Personal, Social and Emotional Development

Children will practise moving through child initiated learning through self-selection.

Communication and Language

The children will be using prepositions when describing where things are.

Physical Development

Children will be drawing and painting using gross motor skills.

Literacy

Children will choose new stories to listen to and then recall the storyline to their friends.

Mathematics

Children will be learning the properties and mathematical language used to describe 2D and 3D shapes.

Understanding of the World

Children will be discussing their knowledge of Easter.

Expressive arts and design

Children will use different media and materials to create cards.
