

In Kindergarten, this week we hope to

Explore Space

Personal, Social and Emotional Development
Encourage children to ask questions of their friends during role play activities.

Communication and Language

Children will be encouraged to use why and how questions during activities.

Physical Development

Children to develop an awareness of the effect of activities on their bodies.

Literacy

Children to identify the initial sounds in words and give meaning to marks as they write.

Mathematics

Encourage children to try estimating how many items are in a group and then count objects to check their accuracy.

Understanding of the World

Children will be planting seeds and watching them grow.

Expressive arts and design

Children will create space related junk models.
